White Way Cafe has new manager

Free coffee and doughnuts are being given away today and free coffee and cake will greet patrons tomorrow (Saturday) in celebration of the new ownership of the White Way Cafe, south of Belen.

Artie Kayser will be taking over as manager Friday. A former resident of Mountainair, Mrs. Kayser and her husband, Louie, moved to Belen after her husband was transferred here by Mountain Bell.

He is an engineer with the telephone company and was transferred here a couple of years ago. "We originally moved here to avoid the high price of commuting," she said.

Mrs. Kayser says she has "been in and out of the restaurant business for 25, 26 years doing a little bit of everything."

"The prices are going back down," she said, "we will be featuring a 10 cent cup of coffee and we will be open seven days a week. This is a workingman's cafe and we're going to gear it for them," she added.

"As far as I can," she said, "we'll keep the same staff. I'm not going to change anything that's working."

"I had a bakery at one time," Mrs. Kayser added, "and I'm a bona fide, card-carrying baker." Among the things Mrs. Kayser is planning to serve are home-made biscuits with breakfast and "old-fashioned, home-style, pan fried chicken."

SAFEGUARD ACT

President Ford has signed a Privacy Act to safeguard individuals from the misuse of federal records. At that time he announced that Housing Secretary James T. Lynn will replace Roy L. Ash as director of the Office of Management and Budget.
